GRAND OPENING

03.02.2023 | FORM 12:00 PM

The time has come: The new company headquarter of xDEPOT and xWERK opens its doors. On an area of 1,500 sqm directly at the Wettersteinring 17 in Dachau, the new building combines a glass manufactory, a showroom for digital technologies, storage and event rooms as well as a start-up area.

On this occasion, xWERK, the partner for CAD/CAM production of high-end dental restorations, and xDEPOT, the online store for dental CAD/CAM products, invite you to the **grand opening celebration**.

Get exclusive insights into the modern building complex on **February 03, 2023 from 12 pm**. The **GRAND xOPENING** also includes **Speed Lectures** and **Dental Technology Battles** – direct comparisons of a wide range of dental systems. A varied dental, musical and culinary program awaits you!

We look forward to starting a new era with you at the new location!

LET'S GET READY FOR DENTAL TECHNOLOGY BATTLES 2023

Open the ring for the Dental Technology Battles of superlatives! Find out together with our specialists which system is the right one for your practice or laboratory on the basis of a direct comparison of different dental systems.

Look forward to eight exciting fights and find your personal Super Champion!
